

455B.452 Single hearing — judicial review.

Notwithstanding chapter 17A:

1. Any proceeding or oral presentation held before the commission on an application for a license shall be held in lieu of any other proceeding or oral presentation required for a license or permit necessary for the construction, maintenance, or operation of a facility.

2. The issuance or denial of the license is a final agency action, and the date for determining whether any person is aggrieved or adversely affected by the action is the date of the issuance or denial of the license.
